

Welcome to Pro Dive Cairns....

Since 1983 Pro Dive Cairns has developed and maintained an international reputation as the premier dive company in Cairns. This impressive reputation is due to our outstanding product quality, excellent safety standards, professional service and great value for money. We offer the highest standards in all levels of dive education and 3 day 2 night liveaboard dive trips.

For people who are already certified divers, wanting to learn to dive or to continue their dive education, our purpose built diver training centre and our modern fleet of multi million dollar vessels ensures the very best facilities are provided.

Our 3 day 2 night liveaboard dive trips provide the opportunity to visit a large variety of outer reef locations and to experience the wonder of the Great Barrier Reef both by day and by night. Our 16 exclusive dive sites on 4 different outer reefs are chosen for their abundance of marine life, great coral and excellent visibility.

Our live aboard dive vessels only carry a maximum of 32 passengers. All cabins are double or twin share. These vessels provide the ideal way to experience the outer Great Barrier Reef. Eight bathrooms, fully air conditioned, large lounge and dining areas combined with spacious dive and sun decks make liveaboard diving comfortable, relaxing and extremely enjoyable. There are no other outer reef liveaboard operators that can offer these features and appointments.

Our popular 5 day "Learn to Dive" courses commence everyday except Sundays and the 3 day 2 nights Liveaboard Dive trips depart everyday except Tuesdays.
